

Tuscany in the spring!!!

**COME SING WITH ME!
YOU KNOW YOU WANT TO!
IF NOT NOW, WHEN?????**

It is time to sign up for this fabulous workshop I will be teaching with the amazing Suzanne Kiechle, vocal coach to the stars (I am NOT KIDDING!) in the beautiful 12th Century monastery of San Fidele in the Tuscan hills between Sienna and Florence.

We sing, we shop, we visit wineries! (We have a designated driver!)

May 15-22
the perfect time to be in Italy.

If you are a singer and want to add to your repertoire and vocal knowledge, COME!
If you don't think you can sing a note, or someone told you couldn't long ago, COME!

If you want to have a life changing experience, filled with wine and great food and the romance of Italy, COME! I PROMISE you won't regret it!

It is a dream come true, and we need to feed our dreams in these crazy times.
